This approval is given subject to your continued compliance, and is subject to withdrawal at the discretion of the Issuing Authority

Mr. Lee Mangham
Element Materials Technology Ltd
50-56 Nursery Street
Sheffield
Yorkshire
S3 8GP

23 July, 2013

Dear Sir / Madam,

Subject: RE-CERTIFICATION OF SUPPLIERS AND SUB-CONTRACTORS.

This letter is confirmation that Messier-Dowty Limited has extended an approval to your company and you are authorized, therefore, to supply Products and Services to Messier-Dowty Limited purchase orders, or purchase orders originating from Messier-Dowty Sub-Contractors, until notified otherwise. This notification has been issued to your company following a satisfactory Supplier Performance Review (Desktop audit) conducted by the undersigned.

This letter replaces the existing certificate that your company currently holds. It is advised that you review your company's current scope of approval on the Internet Global Supplier Directory (GSD).

Please ensure that you have a robust process in place to ensure that for each process specification required on any parts you are supplying, a specific approval has been granted and is listed on the GSD, before shipping such parts. Suppliers identified as manufacturing parts with approvals missing may find that parts are either quarantined on receipt or returned as Suspect Unapproved Parts.

The Internet GSD is updated each month and is accessed by entering the following information:

Web Address: <http://www.safranmbd.com>

User Name: [supplier](#)

Password: [sd99sugp](#)

By entering the following information will gain you access to specifications and procedures:

User Name: [gdq3182w](#)

Password: [qual837t](#)

Yours faithfully
for **Messier-Dowty Ltd**
