This approval will be maintained on the condition that your company continues to comply with QD 4.6-40, Quality Requirements for Suppliers and maintains acceptable product delivery performances.

Bombardier Quality may elect to audit your facility at any time during or prior to any contract in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment, or management.

Your approval status will be periodically reviewed. Based on supplier performance, the approval status of your facility may be revised. It is Bombardier's policy to purchase only from approved suppliers, who consistently meet our standards of quality and reliability. We look forward to building a mutually beneficial and lasting relationship, driven by a desire for continuous quality improvement.

Sincerely yours,

Barrie Colville
Principal Quality Engineer
