A review of a change in organisation name was carried out by the United Kingdom Accreditation Service (UKAS) on 10 October 2015 of:

TRaC Global Limited
Rothwell Road
Warwick
CV34 5JX
United Kingdom

as to its continuing ability to carry out the duties of a notified body under the terms of the above Regulation. The review approved the change in name to:

Element Materials Technology Warwick Ltd
Rothwell Road
Warwick
CV34 5JX
United Kingdom

This is a change in company name not a change in the legal identity of the organisation.

The assessment was carried out under accreditation in accordance with ISO/IEC 17065:2012 and taking account of other standards under the EA Alternative Approach and taking into account EA 2/17 - EA Guidance on the horizontal requirements for the accreditation of conformity assessment bodies for notification purposes.

The updated scope of accreditation in support of Notified Body status is as defined in accreditation schedule issue 011 dated 07 October 2015. An updated ISO/IEC 17065:2012 Accreditation Certificate has been produced and is attached.

UKAS therefore recommends that Element Materials Technology Warwick Ltd continues to be appointed by the Secretary of State as a notified body under the terms of the Guidelines for the additional activities detailed above.

As an accredited Conformity Assessment Body, the organisation is subject to surveillance and reassessment activities in accordance with UKAS standard assessment procedures. Should any change in the organisation's status be noted, UKAS will inform you accordingly

Please contact me if you have any questions.

Yours sincerely,

Glyn Poiner
Assessment Manager - EPT
